Wiser from the start

The ElevenWise 11+ checklist, 2027 entry

After you register: what to do from test day to offer day, for Sep 2027 entry.

Every date on ElevenWise comes from the school's own pages, and a parent checks it and notes the date they checked.

- [ ] If you're applying for a bursary, check each school's bursary deadline and send each form on time
- [ ] Find each school's registration confirmation, and note your child's test day
- [ ] Ask any school you haven't heard from for your child's test day
- [ ] If two of your child's tests are on the same day, tell both schools in writing, with both dates
- [ ] Write every test day and interview day in your calendar, and keep those days free
- [ ] If your child has extra time in tests at school, ask each school how to request it
- [ ] Read each school's test-day letter for the time, place and what to bring
- [ ] Plan each test-day journey, so you arrive early
- [ ] Write each school's offer date and reply (acceptance) deadline in your calendar
- [ ] Note that council offers come on Mon 1 Mar 2027 (National Offer Day), before most independent school reply deadlines
- [ ] Keep your council form (the CAF, or common application form) as it is until offers come on Mon 1 Mar 2027
